SCHEDULE I

2022 FORM 1099-MISC AND 1099-NEC REPORTING

Schedule I briefly describes information that relates to the preparation of Forms 1099-MISC and 1099-NEC. It does not cover all information relating to other 1099 forms.

Refer to the Internal Revenue Service publication "Instructions for Forms 1099-MISC and 1099-NEC." Refer to Schedule IV, IRS Reference Links, Item 1.

For other 1099 forms, refer to the Internal Revenue Service publication "2022 General Instructions for Certain Information Returns." Refer to Schedule IV, IRS Reference Links, Item 2.

Read and review all of the "2022 General Instructions for Certain Information Returns" before completing any Form 1099s. Examples of, but not limited to, would be Page 1, "What's New, Future Developments and Reminders," Page 15, "M. Statements to Recipients" and Page 21, "P. Payments to Corporations and Partnerships."

Review the following regarding information returns which must be filed with the Internal Revenue Service for specific payments made in the 2022 calendar year. Carefully consider all transactions which might require one or more forms to be filed.

1. 1099s GENERALLY

The 1099-MISC and 1099-NEC are the most common 1099s issued. It is important to read the instructions for preparing these forms. Refer to Schedule IV, IRS Reference Links, Item 1.

2. PLANNING FOR FORM 1099 PREPARATION - FORM W-9

Every year you should anticipate that a Form 1099 might need to be issued to eligible recipients. In order to obtain the correct recipient information, the best practice is to obtain a completed Form W-9 from each potential recipient prior to or with initial payments to avoid having to gather the data at the end of the year. Form W-9 asks potential recipients for their federal ID number or Social Security number, federal tax classification, and current address. This information is necessary when completing 1099s for the calendar year. Refer to Schedule IV, IRS Reference Links, Item 3.

3. ELECTRONIC DOCUMENT REPORTING

If you file more than 250 Form 1099s, of any one kind, then you must file the 1099s electronically with the IRS (see paragraph 9 for Oregon filing requirements). Refer to the guidelines outlined in the "2022 General Instructions for Certain Information Returns," Schedule IV, IRS Reference Links, Item 2, Section F, Pages 8-9, titled "Electronic Reporting."

The threshold for electronic filing may change pending issued regulations. Refer to Schedule IV, IRS Reference Links, IRS Reference Links, Item 2, Section F, Page 9.

4. PAPER DOCUMENT REPORTING

Refer to "2022 General Instructions for Certain Information Returns," Schedule IV, IRS Reference Links, Item 2, Section G, Pages 9-10.

5. FORM 1099 REPORTING AND DUE DATES

There are a variety of reporting requirements and due dates for 1099 reporting.

Please refer to the "2022 General Instructions for Certain Information Returns," Schedule IV, IRS Reference Links, Item 2 the "Guide to Information Returns," on Pages 26-28, and the "Types of Payment," on Pages 29-30.

6. FORM 1096 - ANNUAL SUMMARY AND TRANSMITTAL OF U.S. INFORMATION RETURNS

This form transmits the paper Forms 1099 and other informational returns to the Internal Revenue Service. Prepare a separate Form 1096 for each type of 1099 form or other informational return issued. Refer to Schedule IV, IRS Reference Links, Item 4.

7. HOW TO GET HELP

For answers to questions about reporting see "2022 General Instructions for Certain Information Returns," Refer to Schedule IV, IRS Reference Links, Item 2, Section T, Page 23, titled "How To Get Tax Help."

8. 1099 QUESTIONS ON BUSINESS TAX RETURNS AND BUSINESS SCHEDULES

The IRS has two questions on most business and individual tax returns.

- 1) Did you make any payments in the year that would require you to file Form 1099s?
- 2) If "Yes," did you or will you file all required Form 1099s?

It is important that these questions are answered accurately.

9. OREGON ELECTRONIC FILING REQUIREMENTS FOR FORMS 1099

Businesses issuing 1099-G, 1099-K, 1099-MISC, 1099-R, 1099-NEC, and W-2G must submit the information returns using iWire regardless of the number of returns prepared. Other 1099s, including 1099-DIV and 1099-INT are not required to be filed with iWire. Refer to Schedule IV, Oregon Reference Links, Item 1.

OREGON DOES NOT ACCEPT PAPER FILINGS.

3. OREGON FORMS W-2 FILING REQUIREMENTS

Oregon requires all businesses to electronically file Form W-2s on iWire regardless of the number of W-2s issued. Refer to Schedule IV, Oregon Reference Links, Item 1.

You must transmit your W-2s to Oregon via iWire no later than **January 31, 2023**.

4. FEDERAL FORM 940

The 2022 Form 940, Employer's Annual Federal Unemployment (FUTA) Tax Return is required to be filed by **January 31, 2023**. Refer to the instructions for federal Form 940 to complete this report. Refer to Schedule IV, IRS Reference Links, Item 6.

5. OREGON FORM OR-STT-A AND OR-STT-2 OREGON ANNUAL STATEWIDE TRANSIT TAX WITHHOLDING RETURNS

The filing of the annual Form OR-STT-A and OR-STT-2 are due by **January 31, 2023**. Refer to Schedule IV, Oregon Reference Links, Item 6.

Employers must report statewide transit tax withheld in Box 14 of the W-2 with the designation ORSTT W/H. This is in addition to the new requirement of including this information on the electronically filed version of the W-2 through iWire. The reporting of the statewide transit taxable wages is optional.

6. COMMUNITY SAFETY PAYROLL TAX

All employers with a physical address in the Eugene city limits must register and file with the City of Eugene if paying wages to employees. Reporting is on a quarterly basis. Refer to Schedule IV, City of Eugene Reference Links, Item 1.

Employers must report wages subject to the Community Safety Payroll Tax and the amount of tax withheld for each employee. Report the subject wages in box 18 (local wages, tips, etc.), the payroll tax paid in box 19 (local income tax), and "EUG" in box 20 (locality name).

Form OR-WR is due no later than **January 31, 2023**.

THE FORM OR-WR MUST BE ELECTRONICALLY FILED THROUGH YOUR REVENUE ONLINE ACCOUNT

8. METRO SUPPORTIVE HOUSING SERVICES TAX (SHS) AND MULTNOMAH COUNTY PRESCHOOL FOR ALL TAX (PFA)

In 2020, voters approved the institution of two new Portland metro taxes: The Metro Supportive Housing Services tax and the Multnomah County Preschool for All tax. Both resulted in new local personal income taxes that became effective January 1, 2021. **As of January 1, 2022, all employers must comply with the withholding requirements.**

The Metro Supportive Housing Services Personal Income Tax (SHS)

1% on taxable income for residents of, or income sourced in, the *Portland Metro District* above \$125,000 for those filing single or married filing separately and \$200,000 for those filing jointly, qualified widower, or head of household. Plus, there is a 1% tax on profits from businesses with gross receipts of more than \$5 million.

The Multnomah County Preschool For All Personal Income Tax (PFA)

1.5% on taxable income for residents of, or income sourced in, Multnomah County above \$125,000 for those filing single or married filing separately and \$200,000 for those filing jointly, qualified widower, or head of household. An additional 1.5% will be withheld on taxable income over \$250,000 for individuals and \$400,000 for those filing jointly. Residents of Multnomah County will have 100% of their Oregon Taxable Income subject to the tax thresholds. For non-residents of Multnomah County, income sourced within the county will be subject to the tax.

Employees earning \$200,000 or more annually, payroll withholding will be automatic unless an employee submits an Opt-In/Out form indicating they want to opt-out.

Employees earning less than \$200,000 will not be set up for this withholding. To opt-in to have this tax withheld, an Opt-In/Out form must be submitted. Refer to Schedule IV, Portland Reference Links, Item 3.

The City of Portland Revenue Division will be collecting the tax on behalf of Multnomah County for the Preschool For All Personal Income Tax. All payment and filings should be sent to the City of Portland through their Portland Revenue Online (PRO) system. Refer to Schedule IV, Portland Reference Links, Item 2.

9. REPORTING OF FFCRA (COVID) WAGES ON FORM W-2

SCHEDULE III

2023 PAYROLL TAX INFORMATION AND REPORTING

1. SOCIAL SECURITY AND MEDICARE TAX

The 2023 wage base is \$160,200 for Social Security (old age, survivors, and disability insurance-OASDI). There is no wage base limit for Medicare (hospital insurance). There is no change to the tax rates.

a. Additional Medicare Tax

Once Medicare wages reach \$200,000, you must withhold an additional .9% of Medicare tax from the employee's wages. There is **NO** additional Medicare tax that employers must pay.

2. FEDERAL INCOME TAX WITHHOLDINGS

Refer to the 2023 Circular E for any changes, including new withholding tables. Refer to Schedule IV, IRS Reference Links, Item 7.

3. FEDERAL UNEMPLOYMENT TAX

The 2023 FUTA wage base is \$7,000 per employee and the tax rate is 6%. Refer to the 2023 Circular E for additional information. Refer to Schedule IV, IRS Reference Links, Item 7.

If your FUTA tax liability in a calendar quarter is or exceeds \$500, you must deposit the tax.

4. PAYROLL DRAWS

Per Rev. Rul. 68-239. 1968-1 C.B. 414: Draws are "**wages**" for federal and state payroll tax purposes **at the time of payment**. Payroll taxes should be calculated on draws and are subject to the same deposit requirements as your regular payroll.

5. TAX DEPOSITS

The most common requirements for paying federal withholding, Social Security, and Medicare taxes for 2023 are either monthly or semi-weekly deposits. Refer to Circular E each year to determine what kind of depositor you will be for that year. You will need to calculate the "lookback" period each year. The "lookback" period will determine what type of depositor you will be for the following calendar year. See the instructions for the "lookback" period in Circular E for 2023. A penalty may be charged if taxes are not deposited when they are due. Please refer to Circular E for other not-so-common deposit requirements.

The Oregon tax deposit rules follow the federal.

6. BUSINESS STANDARD MILEAGE RATE

The business standard mileage rate for 2023 is published by the IRS in December.

In 2022, there were two separate mileage rates issued.

January 1 - June 30, 2022 = 58.5 cents per mile. July 1 - December 31, 2022 = 62.5 cents per mile.

Be aware this could occur in 2023.

7. OREGON INCOME TAX WITHHOLDINGS

Refer to the Oregon Withholding Tax Tables effective **January 1, 2023**. Refer to Schedule IV, Oregon Reference Links, Item 2.

8. STATE UNEMPLOYMENT TAX

The Oregon unemployment taxable wage base for 2023 is \$50,900. In November, the Oregon Employment Division mails out a notice that provides your 2023 state unemployment tax rate. It is vital you change this rate **before** running the first payroll in 2023.

9. LANE TRANSIT AND TRIMET EXCISE TAXES

The Lane Transit tax rate for 2023 is .0078. The Tri-Met tax rate for 2023 is .008037.

10. WORKERS' COMPENSATION ASSESSMENT RATE

The 2023 workers' compensation assessment rate will be 2.2 cents for each hour or part of an hour **worked** by each paid employee covered by your workers' compensation insurance policy. (1.1 cents for employees and 1.1 cents for employers).

Do not report fractions of hours. Total each employee's hours worked in the quarter and round any partial hours up to the next whole number. The maximum number of hours per employee per quarter is 999. If an employer does not track hours, a standard 40 hours per week or 174 hours per month for full-time employees is acceptable.

11. WORKERS' COMPENSATION ASSESSMENT FOR VOLUNTEER EMPLOYEES

Employers do not need to report hours worked by, or pay the workers' compensation assessment for, volunteer workers, even if they are covered by your workers' compensation insurance policy. "Volunteer workers" include workers who do not receive money and those who receive non-monetary wages for services rendered.

Employers who have both paid employees and volunteer workers covered by your workers' compensation insurance policy need to report only the hours worked by paid employees. Do not include the hours worked by volunteer workers.

Employers who have no paid employees and only volunteer workers, but maintain active workers' compensation insurance coverage, are required to file a quarterly Form OQ to report zero hours worked and zero assessment due. This prevents the receipt of "Failure to File" notices and possible penalties.

12. OREGON STATEWIDE TRANSIT TAX AND REVENUE ONLINE

This is a 1% tax of taxable wages withheld from employees wages and paid each quarter on Form OR-STT1, OR-STT2, and annually on Form OR-STT-A.

You will report this tax and remit the funds withheld quarterly, either electronically through Revenue Online or filing a paper return. Taxpayers are encouraged to file returns and pay taxes electronically through Revenue Online for faster, more efficient processing. If you don't have a Revenue Online account, you can register online. Refer to Schedule IV, Oregon Reference Links, Item 6.

13. NEW HIRE REPORTING

Oregon law requires employers to report within 20 days all new hires and re-hires, including temporary staff, to the Division of Child Support of the Oregon Department of Justice. Employers must report the first day of work for each new hire. This information is used to assist in the collection of child support payments.

A "new hire" is any employee who is required to fill out a W-4 form, or any returning employee who has been absent for more than 60 days. Refer to Schedule IV, Oregon Reference Links, Item 3.

14. FORM I-9 EMPLOYMENT ELIGIBILITY VERIFICATION

Currently, the Form I-9 with a revision date at the lower left corner is "10/21/2019 N" and "expires 10/31/2022" in the upper right corner. Employers should use this version. Refer to Schedule V, Additional Information Links, Item 6.

Refer to Schedule V, Additional Reference Links, Item 4.

22. OREGON PAID FAMILY AND MEDICAL LEAVE INSURANCE (PFMLI)

Beginning January 1, 2023, the Oregon Paid Family Leave Act (PFML) will take effect for employees who work in Oregon.

As announced in May 2022, the Employment Department has set the contribution rate for employers and employees at 1% for 2023. This is owed on the first \$132,900 you pay to each employee in 2023.

Starting January 1, 2023, employees will pay 60% of the 1% contribution rate. Starting on that date, employers must withhold the employee portion of contributions from paychecks and pay them with their quarterly payroll reports. Paid Leave Oregon will be included on the payroll reporting forms in 2023.

Employers with 25 or more employees will pay 40% of the 1% contribution rate. For 2023, the Oregon Employment Department will determine whether employers have 25 employees based on the first payroll report, after it is filed.

Employers with fewer than 25 employees are not subject to the 40% employer tax, but will withhold 60% of the 1% tax for the employees.

Employers are required to post the Paid Leave Oregon Model Notice Poster at the workplace and provide it electronically or by mail to remote workers no later than January 1, 2023.
